NOTICE 21-01

CHANGES TO FILING AND PAYMENT DUE DATES FOR INDIVIDUAL INCOME TAX, FIDUCIARY INCOME TAX AND HOMESTEAD OR PROPERTY TAX RELIEF REFUND CLAIMS

(MARCH 19, 2021)

Individual Income Tax

The filing deadline for calendar year Kansas individual income tax returns, and the deadline for the payment of any tax due, is April 15th.

However, to conform to filing and payment deadline extensions recently announced by the Internal Revenue Service, the Director of Taxation has extended the Kansas filing deadline to May 17, 2021. Recognizing the extended filing deadline, the payment due date has also been extended to May 17, 2021. This means if the balance due is paid on or before May 17, 2021, no penalty or interest will be imposed. Only regular return forms need to be submitted; no special forms will be required.

The due date(s) for Kansas individual estimated tax payments **has not** been changed.

Fiduciary Income Tax

Fiduciary income tax returns for calendar year filers are due on April 15th. However, due to the extension for filing individual income tax returns, the Director of Taxation has extended the deadline for filing 2020 fiduciary income tax returns to May 17, 2021. Recognizing the extended filing deadline, the payment due date has also been extended to May 17, 2021. This means if the balance due is paid on or before May 17, 2021, no penalty or interest will be imposed. Only regular return forms need to be submitted; no special forms will be required.

The deadline for fiscal year fiduciary income tax return filers is the 15th day of the fourth month following the end of the taxable year. The Director of Taxation has extended the deadline for filing the 2020 fiduciary income tax return with due dates between April 15, 2021 and May 17, 2021, to May 17, 2021. The payment due date has also been extended to May 17, 2021. This means if the balance due is paid on or before May 17, 2021, no penalty or interest will be imposed. Only regular return forms need to be submitted; no special forms will be required.

Homestead or Property Tax Relief Refund Claims

Homestead or property tax relief refund claims are due on April 15th. However, due to the extension for filing individual income tax returns, the Director of Taxation has extended the deadline for filing 2020 homestead or property tax relief claims to May 17, 2021. Those claiming a refund are encouraged to submit their claims as soon as possible, and not to wait until the end of the extension period. Only the regular claim form needs to be submitted; no special forms will be required.
