NOTICE 24-07

WITHHOLDING TAX PENALTY CHANGES

(JULY 1, 2024)

During the 2024 Legislative Session Senate Bill 410 was passed and signed into law. Section 17 of the Bill amended K.S.A. 79-32,107, which controls the imposition of penalty and interest for noncompliance with the provisions of the Kansas withholding and declaration of estimated tax act.

Most of the provisions of K.S.A. 79-32,107 remain unchanged. The substantive amendments to K.S.A. 79-32,107(f) address the case of failure by an employer to timely remit withholding tax. Under current law, when a penalty is imposed, it is imposed at the rate of 15%, regardless of how late the remittance is made. The new language, in what is now subsection (f)(1), provides the penalty which will be imposed on a remittance made after the due date of the return, as determined under K.S.A. 79-3298, is to be:

- (A) 2% of the amount of the underpayment if remitted within one to five days;*
- (B) 5% of the amount of the underpayment if remitted within six to 15 days;*
- (C) 10% of the amount of the underpayment if remitted after 15 days; and*
- (D) 15% of the amount of the underpayment if remitted after 15 days and the department has issued a notice to the person regarding the underpayment but the amount of the underpayment was not remitted within 10 days of issuance of the notice.*

The new provisions are effective July 1, 2024. Any remittance that was due, but unpaid, prior to July 1, 2024, will be subject to the imposition of penalty at the rate of 15%.
